

I WISH I HAD A PUPPY

I wish I had a puppy,
I would play with him all day.
I think I'll ask my mom for one.
I wonder what she'll say?

I'd like to have an elephant
If it was just a baby.
But it would grow up fast,
So a zebra's better, maybe.

Or maybe I would like a cat
To chase a ball of yarn.
I'd also like a goat or sheep,
But then I'd need a barn.

Penguins would be really cute
But I'd need a block of ice.
I'd also want a polar bear,
If it promised to be nice.

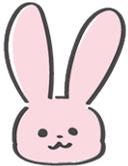

Hamsters would be soft and cute
But they're a bit too small.
A giraffe would be a lot of fun
But it would be too tall!

A parrot is so colorful -
I would want one that could talk
If I had a bird cage big enough,
I would also get a hawk!

If my home was in Australia
I would like a kangaroo
I'd put a tree inside my house
And keep koalas too!

If I can't sleep, and want a friend
I could get a pet racoon,
And an owl, and a possum
And we'd play beneath the moon.

If I could have a lion cub
I'd have to lock the door,
Or it would scare the neighbors
Every time they heard it roar.

If I had a pond with rocks
I'd have an otter and some seals.
But then I'd need to fish all day
To catch enough for all their meals.

An alligator might be fun
But I would need a pool.
Then I could get a hippo too,
My friends would think I'm cool!

My ideas for a pet
Might be more than I can do.
So instead I'll ask my parents
If they'll take me to the zoo!
